

PURE's Referral Partner Program

PURE Natural Health and Wellness is a boutique health and wellness centre in St. Catharines, providing services in holistic nutrition, naturopathic medicine, musculoskeletal therapy, energy balancing, yoga and meditation. Because of our focus on education and prevention, we are an ideal referral for anyone dealing with a condition affected by diet and lifestyle choices. We are available for one-on-one consultations and treatments, corporate education, wellness workshops and group programs.

At PURE, we have developed a customer referral appreciation program that may be of interest to you. For every referral that we receive from one of our happy clients, we acknowledge their support and kindness with a \$10 gift certificate to one of our referral partners. We view this small token of our appreciation as a way to promote natural healthy living and local like-minded businesses.

To become a referral partner of PURE, your company must focus on providing products and/or services that promote health naturally, in the Niagara area. In exchange for 5 of your company's \$10 gift certificates, we will issue you the same in PURE gift certificates. You may use the gift certificate from PURE in any way you choose; as a customer incentive, prize or recognition program for your customers and/or employees. Our aim is to foster cross-promotion within local businesses that support and thrive on healthy living naturally.

If you would like to become one of our partners, or if you have any questions and would like more information, please contact us at (905) 650-1144 or info@PureNaturalHealth.ca.

In good health & happiness,

Sharlene Brewer, CNP

Founder, Holistic Life Coach, Nutritionist, Registered Yoga Teacher, Certified Meditation Teacher
